

## **2010 ARTS AND HERITAGE CALENDAR APPLICATION FORM**

The Arts and Heritage Development Council has begun work on its second annual Arts and Heritage Calendar. Each month we feature an artist's work and highlight events and heritage items of the past and present. Artists' work will be juried to determine who is featured each month. We will select 12 inside artists and one cover artist. These calendars will be on sale in the Customs House Museum's "Seasons" shop and at the Downtown Artists Co-op.

This year we want to feature work depicting some element from Montgomery County. It can focus on a detail from a building or piece of public art or a scene from downtown Clarksville or it can depict a view of a farm, county road, or local park. Literally, the sky is the limit as long as it is observed in Montgomery County.

Please apply to be featured, by filling in the information below.
